

## Fail

**T**o fail is part of living.

Fail quickly so that you can learn and then quickly succeed.

You fail many times because you fail to fully trust Me.

You may be afraid to trust because others have let you down.

You may fail to trust because you don't believe enough to trust in yourself.

Never fail to understand My love and devotion to you.

I have great confidence in you. With Me all things are possible.

Trust Me, lean on Me. I am here to help you succeed in anything without fail.

## Fear

**F**ear is an instinct that I gave to you. Fear is essential to help you avoid danger.

But, fear, if nurtured, like anything that you give attention to will grow. Like a garden overcome with weeds, fear can fill your mind, heart, and spirit choking the life out of you.

Sadly, My children fear Me and run *away* from Me instead of running *to* Me.

That's why, when I sent My angel messengers, they always announced their presence with these words: fear not.

I gave you an instinct *for* fear, but not a spirit *of* fear.

I love you with a divine, unconditional love. It is perfect.

Where there is perfect love, there can be no fear.

So, fear not.

## Celebrate

**Y**ou need to celebrate more often.

Each new day is cause to celebrate.

Celebrate when you've acted out of kindness

when someone was rude to you. (I see everything you know.)

Celebrate when you act from a place of love when others act out in hate.

Celebrate when you are on time instead of late.

Celebrate when you choose to forego instant gratification and make a better choice.

Celebrate when you speak up and use your voice.

Celebrate when you follow through and do what you say you are going to do.

I celebrate *all* of your victories.

I want you to celebrate too.
